Stop Cough

Those hard night coughs of the children! What shall you give them? Just what your mother gave you, and just what her mother gave her! In some families, Ayer's Cherry Pectoral has been the only cough medicine for seventy years. Once in the family, it stays. Keep it on hand.

The Cause of Colds Good Advice Regarding the Prevention of Coughs and Colds

If people would only fortify and strengthen the system, the majority of cases of coughs, colds and pneumonia might be avoided. These troubles are frequently due to weakness, which produces a catarrhal condition of the mucous membrane, which is an internal skin of the body. When this skin is weakened it becomes easily infected with germs which cause many of the diseases to which flesh is heir. Healthy mucous membranes are essential safeguards of the body's general health.

An excellent aid in the prevention of coughs, colds, pneumonia, and such like infectious diseases, is a remedy that will prevent or cure catarrh.

I have a remedy which I honestly believe to be unsurpassed in excellence for the prevention of coughs, colds and all catarrhal conditions. It is the prescription of a famous physician, who has an enviable reputation of thirty years of cures gained through the use of this formula. I promise to make no charge for the medicine should it fail to do as I claim. I urge everybody who has need of such a medicine to try Rexall Mucu-Tone.

It stands to reason that I could not afford to make such statements and give my own personal guarantee to this remedy if I were not prepared to prove the reasonableness of my claim in every particular, and I see no reason why any one should hesitate to accept my offer and try it. I have two sizes of Rexall Mucu-Tone, prices 50 cents and \$1. Sometimes a 50-cent bottle is sufficient to give marked relief. As a general thing the most chronic case is relieved with an average of three large bottles. You can obtain Rexall Remedies in Maysville only at my store—The Rexall Store Thos. J. Chenoweth.

MRS. MARIA COLLINS OWENS.

Mrs. Maria Collins Owens, who was stricken with paralysis some ten days ago, died at her home in Second street, Sixth Ward, yesterday at 12:30 o'clock.

Mrs. Owens was a daughter of the late Judge and Mrs. Lewis Collins, and was the last immediate member of this pioneer and distinguished family. Her deceased brother, Richard H. Collins, was the author and compiler of the early history of Kentucky.

She was born in this city in the house now occupied by E. Myall in West Third street, May 11th, 1844, and with the exception of a two years residence in Kansas, had resided in this city and county all her life.

October 26th, 1875, she was married to James Curtis Owens, who preceded her to the grave some years ago. She was a faithful member of the Central Presbyterian Church, and was a most excellent Christian woman.

She leaves three children—two sons and one daughter, Mr. Maxie Owens of Cheylon, W. Va., and Mr. Ross C. and Miss Maria C. Owens of this city.

The funeral will take place from her late residence, 919 East Second street, Saturday afternoon at 2 o'clock, with services by Rev. W. W. Akers of the Central Presbyterian Church, assisted by Rev. F. W. Harrop of the Third Street M. E. Church. Interment in Maysville Cemetery.

WILLIAM G. HEISER

The receipt of the news of the death of William G. Heiser in Cincinnati last evening was a great shock to his family and friends in this city. He had been in the city for several days and further than that he was found dead in his room at the St. Charles Hotel, West Fifth street, the family has no immediate particulars of his death. He had been in ill health for years.

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on cathartics, purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something practically and sensitive, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Sanville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O.

To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty-cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address in Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

Wild Leap of Frenzied Horse With Buggy—Occupants' Miraculous Escape

Yesterday afternoon at 3:40 Mrs. Henry Soward and her son, William, of near Mt. Carmel, who were en route home from Maysville, had a miraculous escape from death or serious injury. A mile East of the Maysville Cemetery, on the Mt. Carmel pike, at the watering trough, they stopped their journey to water their horse. William took the bit from the animal's mouth and gave it water, and must have forgotten to replace the bit, for as quick as a flash the horse madly kicked, and before the occupants of the vehicle were aware of it, leaped into the air, clearing a slat fence on the left of the pike, and plunged over the bank and down the steep hillside. The buggy turned several somersaults, landing a complete wreck fifty feet from the pike, carrying Mrs. Soward with it and dumping her among the wreckage, with only a badly scratched nose, caused by her glasses, probably hitting against the wreck. The son escaped from the buggy before it went over the bank, and was unhurt, but Mrs. Soward's escape was nothing short of a miracle. The horse, too, was unhurt. The "Ludger" man was only a few yards behind the buggy and was on the scene while the lady was being extricated from her perilous position. She was very plucky and not excited to a great extent, but sought the nearest telephone and called for a rig to convey her and her son the balance of their 15-mile journey.

WOMEN'S WOES.

Maysville Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people in this locality.

Mrs. Etta Carson, Front street, Vanceburg, Ky., says:

"My kidneys were disordered for several years and I suffered from attacks of lumbago. My back ached intensely and the kidney secretions were profuse at times, while at others, scanty and distressing in passages. If I attempted to stoop, sharp twinges darted through my kidneys and often I became very weak. I finally began taking Doan's Kidney Pills and they proved of benefit in every way. I know of other persons who have used Doan's Kidney Pills with satisfactory results.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

EVERY CHILD, WOMAN and MAN :-:

Who buys Shoes at Dan Cohen's knows that it is a fact we sell good Shoes for less money than any house in this section of the country. Shoes are sold at the same low prices here that have built up our enormous business in many of the great cities where the competition is the very closest and the buyers the shrewdest in the world. Some time ago we instructed our Eastern representatives to use every possible effort to make this season the greatest in the history of this organization. We desired not only to give you value greater than ever, but also the most advanced styles in Summer Footwear. That we have succeeded is evidenced by the great increase in our business this season. If you must sit and sigh
And have the blues,
Why don't you try
To realize
That there are sighs and sighs,
And blues and blues
From which to chide?
There're heavenly blues, and blues of tranquil seas,
Both pleasant—if you have them, pray have these.
And when you sigh, be like the turtle dove,
Who knows not grief, and merely sighs for love.

It is estimated that fully 80,000 angora and other goats have been drowned as the result of the heavy rains which have swept over Southwest Texas during the last few days. Goat raisers in the Rio and Nueces Valleys have been hit hardest. In one instance a flock of goats took refuge in a cave in a dry creek, where they were overwhelmed by the floods from the hills. Owing to a decided fall in the temperature prior to the rains many goat men had kept the kids under shelter and as a result most of them have been saved.

WHERE THERE IS SO MUCH SMOKE

There Is Always Some Fire

When people talk about one thing and keep on talking as they do about the discovery that created so much newspaper comment in Fort Wayne and other cities during the past summer, even though many reports may be exaggerated, there must be some merit in the discovery, and when people spend their money for a thing and then buy more of it, proof of merit becomes so convincing that it becomes the duty of every person in need of Root Juice to go to the drugstore and get a bottle of this much talked of remedy. Root Juice cures rheumatism and catarrh because it puts the filtering machines of the body to work and causes them to filter the impurities of the blood. Root Juice cures stomach and bowel troubles because it removes irritated and ulcerated conditions from the mucous linings and causes a natural flow of digestive fluids. Root Juice is so good for female weakness because it tones and heals the organs that make and filter blood.

Good, rich blood will nourish and strengthen every weak part of the body. Root Juice is sold for one dollar a bottle, or three bottles for two dollars and a half, at J. Jas. Wood & Son's Drugstore.

De Forest, Wis.—"After an operation four years ago I had pains down in both sides, backache, and a weakness. The doctor wanted me to have another operation. I took Lydia E. Pinkham's Vegetable Compound and I am entirely cured of my troubles."

New Orleans, La.—"For years I suffered from severe female troubles. Finally I was confined to my bed and the doctor said an operation was necessary. I gave Lydia E. Pinkham's Vegetable Compound a trial first, and was saved from an operation."

Mrs. LILY PEYRON, 1111 Kerlerec St., New Orleans, La.
Thirty years of unparalleled success confirms the power of Lydia E. Pinkham's Vegetable Compound to cure female diseases. The great volume of unsolicited testimony constantly pouring in proves conclusively that Lydia E. Pinkham's Vegetable Compound is a remarkable remedy for those distressing feminine ills from which so many women suffer.

If you want special advice about your case write to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

Extensive Preparations Are Being Made For the Big Auction Lot Sale

Augusta Band Will Furnish the Music, and Five Hundred Dollars Worth of Lots, Cash and Other Prizes to Be Given Away

The auction lot sale to be held at Eastland Addition next week will certainly not be lacking in interest for the public, as elaborate preparations to entertain a big crowd are being perfected by the management of the sale.

The Augusta Band in full uniform will be present during the sale, and will give a free outdoors concert on Wednesday night before the sale. Daylight fireworks, a new invention, will be provided, balloon ascensions furnished, public addresses will be made, refreshments will be provided on the ground and there will not be a dull moment during the sale. Colonel R. J. Warrick, the famous Georgia whirlwind auctioneer, noted for his witty dialect stories, will conduct the sale, and free transportation to and from the grounds is being arranged for.

The interest being manifested locally in the sale is very gratifying to the representatives

of the Bowman Realty Company present in the city, and as Maysville real estate has always been considered a safe investment, it may be expected that a large number of lots will be sold at this particular time when building lots are becoming quite scarce and Maysville prospects for a rapid growth are admittedly the brightest in her whole history.

The steady advance in local real estate values has been marked for some time, and with the new spirit of activity which has taken hold of Maysville and the certainty of a number of important developments at hand, no one with money to invest need go outside Maysville for sure and quick returns. The natural and in fact only possible direction of growth for Maysville is Eastward, and within another year the New Eastland Sub-division will undoubtedly be a most thriving addition to the city.

GORDON'S TESTIMONY PROVES INTERESTING

Charles W. Gordon, whose picture is given above, is agent for the Atlantic and Pacific Tea Company in Ogdensburg, N. Y., and resides at 78 King street, that city. In giving testimony regarding his own case, Mr. Gordon recently made the following statement:

"Some time ago, while suffering from stomach catarrh, I was advised to take Cooper's New Discovery, and did so, two bottles of the preparation putting my stomach into good condition. Previous to my taking the New Discovery I could not eat a meal without experiencing pain and discomfort afterward."

"I had been in this condition for a long time, although I had tried many different remedies in search of relief, and at last reached the conclusion that I had exhausted every available resource. Cooper's New Discovery was to me almost a heaven-sent blessing, and the work of the medicine was so permanent and lasting that I have had no recurrence of my former trouble whatever."

"I can eat anything I care for with tiding any bad effects afterward. I commended Cooper's New Discovery to persons of my acquaintance, and it has to give satisfactory results. It is a great relief of stomach trouble in mighty strength."

Persons who are suffering from stomach troubles will find in Cooper's New Discovery the most potent remedy. There is no need for the Cooper preparation. I am agent in this community for Chenoweth.
